About DIRS-COFUND

Supported and co-funded by the European Commission through the Horizon 2020 Marie Skłodowska-Curie COFUND Programme and other 42 partners, the [University of Deusto \(UDEUSTO\)](#) provides 16 three-years positions offered in two calls: first to be launched in February 2016 and second in February 2017.

The [Deusto International Research School \(DIRS\)](#) aims at attracting qualified international Early Stage Researchers for high quality PhD training. The aim of the programme is to **increase the international, intersectoral and interdisciplinary mobility of researchers**, in line with the principles set out in the [European Charter for Researchers](#) and the [Code of Conduct for the Recruitment of Researchers](#) and with the [EU Principles for Innovative Doctoral Training](#). Selected researchers will enrol in an **attractive and highly internationalised, interdisciplinary and intersectoral research and training ecosystem**.

Selected candidates will enrol in one of the seven existing doctoral programmes around four research foci: Health and Wellbeing; Human Rights, Peace and Conflict Resolution; Sustainable Development and Innovation; and Education and Lifelong Learning. Furthermore, the programme will provide **transnational and cross-sectoral mobility opportunities** as well. Besides, the wide set of academic and non-academic partners institutions participating in the project will provide **hosting and secondment opportunities to be decided with PhD tutor and set in the Personal Career Development Plan and training in research and T-shaped skills**.

There is a choice of 30 selected topics for recruitment. From all candidates applying to these topics, 8 will be
